EXPERIENCE

WORKSET(STARTUP) | FRONT END DEVELOPER

Remote | May 2022 – Aug 2022

- Designed and updated layouts to meet usability and performance requirements.
- I developed the front end of many websites from totally scratch and updated or corrected the code for many other websites.
- Coded using HTML, CSS, and JavaScript to develop features for both mobile and desktop platforms.
- Advocated for well-tested and documented high-quality code.
- Performed user experience quality assurance testing to identify and remedy shortcomings.
